South End of Bricktown Canal, Oklahoma City OK, 73102	Oklahoma Land Run Monument South End of Bricktown Canal Oklahoma City OK, 73102 The Centennial Land Run Monument commemorates the opening of the Indian land in Oklahoma Territory. The frenzied energy and emotion from one instant during the 1889 run is captured in bronze. Through Paul Moore’s masterful hand, a still and silent sculpture comes to life. When complete in 2015, the sculpture-in-progress will be one of the world’s largest bronze sculptures featuring 45 heroic figures of land run participants, frozen in motion as they race to claim new homesteads. Located at the south end of the Bricktown Canal. Open daily. Admission: Free. <a href="http://www.visitokc.com/listings/Oklahoma-Land-Run-Monument/467/32/">http://www.visitokc.com/listings/Oklahoma-Land-Run-Monument/467/32/</a>	9:30 AM	0:30	10:00 AM	\$ -
